

Let It Shine - Back to School Plan - FAQ

What type of child care is offered at Let It Shine through December for Kindergarten-6th grade?

We offer Virtual Learning Assistance and Flex days, two full-day options depending on your child's schooling. We also offer a half day option for home school children. Please click the link for the side by side options with more details and pricing. [Let It Shine - Back to School Plan](#)

What are Virtual Learning Assistance days? 7:30am-4:00pm with evening extended care available. Children carry out their day as scheduled by their school/teacher with assistance from LIS staff members to ensure completion of classwork and zoom meetings. When schedules permit, there are plenty of indoor and outdoor activities and games to keep them moving.

What are FLEX days? Fun, learning and exercise 9am-3pm with extended care available. Children have an active day of games and activities, blocking 1-2 hours of independent study in the morning with assistance if needed. This is also offered as a half day, 12:30-3:00pm, with no independent study but lots of movement and exercise.

Will LIS screen for COVID19?

Temperature checks will be taken each morning upon arrival for students registered in our virtual learning assistance and FLEX days.

COVID19 screening will continue to be in place, with the onus of additional screening remaining on the individual families/members. Screening should take place each day, prior to arrival.

If the answer is yes to any of the questions below members are required to leave the premises and advised to follow medical care and/or COVID-19 testing, per CDC guidelines. LIS staff may screen temperatures of its students/athletes at any time. Parents of symptomatic students may be contacted immediately to pick up their child.

- Have you been in close contact with a confirmed case of COVID-19?
- Are you experiencing a cough, shortness of breath, or sore throat?
- Have you had a new loss of taste or smell?
- Have you had vomiting or diarrhea in the last 24 hours?
- Have you had a fever in the last 48 hours or do you currently have a fever higher than 100.4 degrees?

What if a student/staff member tests positive for COVID?

LIS addresses COVID positive student/staff members as a case by case situation; our action plans are guided by the Tennessee Department of Health. If a staff member or student tests positive, they will be required to isolate from LIS for the TDH recommended 14 days. Depending on potential exposure, LIS will notify the respective student-families in close contact with the COVID positive member. As a result, staff or athletes may be requested to isolate from LIS accordingly.
